Coaches Update

Practices scheduled Mon-Aug 18th thru Thu-Aug 21st (9:00 am to noon) in order to be prepared for camp. Leaving for camp Fri-Aug 22nd @ 7:00 a.m. Coach Dallas will provide list of things to bring. We will be in one cabin again this year, but with 35 coming, pretty limited on space. Please stick with what is on the list. All camp clothing will be distributed prior so you can pack in your bag. Expected time back on Mon-Aug 25th is 4:00. Suggest bringing fans. May or may not be air-conditioned. In a.m. on last day of camp they will perform cheer they learned, have final evaluations, additional awards, etc. Parents can attend if they are interested. Additional practice Thu-Aug 28th (5-8 p.m.) to prepare for 1st game on Fri-Aug 29th. Social pre-game in parking lot – same place as last year @ 5:00

Side note: Coach Dallas will continue to use her maiden name for now. She may make change ½ way through year. So “Stay tuned” for now

Treasurer's Report-Chancey Jeffrey

Chancey advised that there was \$1025 earned this year from car washes. Last one is scheduled for September 13th @ Pep Boys. Reminder to all: We need the girls/parents to sign up for it. \$ 8,125 grossed this year for sponsorships - less then last year, but still pretty good. We'll have plenty of balls to throw out at the games. At this point registration fee remains the same for now. May lower later after final budget completed (which should be next week) Checking account balance is approximately \$7000 Girls who have balances in their accounts should use those funds for their registration/equipment payments. Reminder that money in your account is not returned to you if you don't use it.

President Discussion -Kate Zarko

Kate thanked Fred Gamache for website help, keeping it up to date, etc. She will continue to provide our weekly e-mail reminders. Fred reminded all that if you provide items for the website, please send in originals, not scanned or they don't show up as clearly. Kate asked everyone to go in and look at the site, there are lots of links to see. It was decided that Fred Gamache will have free reign to choose pictures that go up on the site.

Decorating & Spirit- Beverly Coppola

Beverly Coppola to contact coach at later date regarding decorating senior player's homes. Please remember to provide anything you have that they could use.

Fundraising

Car Wash – Linda Hollenden

Linda asked for a volunteer to take all supplies home at the last car wash on September 13th. (No one volunteered yet) It was briefly discussed whether we want to do additional car washes in future. Summer has been tough to make a lot of \$\$\$. Linda suggested one shift, from 10:00 to 2:00, might make it easier so all attend at same time.

Annual Mum Sale – Natalie Scalse

Parents picked up forms. Orders due by 9/5. Pick up date on 9/13 in a.m. Natalie looking for volunteers to help (should take an hour of your time) Contact her @ fitnastics@comcast.net or 215-491-3399 if you can help. Flowers are all different colors. No control over that. Natalie suggested writing a check to CB South Parent's Club for the full amount for your Mum order. Makes it easier for her.

Cheer Clinic- Karen Gaida – Jackie Gamache – Lisa Bianchini

Karen sent e-mail today to clinic volunteers outlining where she needs help. A meeting has been scheduled @ Karen's house this Wed-Aug 20th to discuss what further needs to be done. Clinic committee will choose colors for shirts/match ribbons to it. Note made to stay away from yellow or gold since we're playing CB West that day. Mandatory participation for all girls.

Community Service-Leslie Busichio & Debbie Foster

Monthly calendar has been created with all the different things they girls can participate in. Goal is each girl to participate in at least 3 different things during the year. All one day events. Some of the items reviewed i.e. Operation Eternal Gratitude, Holiday gift wrapping, Tour Du Cure, Special Olympics, etc. All information will be posted on website and girls can sign up there. Coach Dallas will try to contact person who used to handle the special Olympics activity in Council Rock school district and provide that info to committee. Kate will also try to contact Dot to see if she has the person's name/number. Kate Zarko reminded all parents of the importance of participating in community service for future college applications, etc. Committee will provide validation of your participation for college, scholarship applications, etc. Kate reminded the group of taking care when posting any photographs on website that we have parent permission.
