Kelley works with Pro Physical Therapy www.propt.com Her e-mail address is kelley.peloquin@propt.com She is the CB South physical trainer for this school year. All injuries must be reported to Kelley / Coach Dallas asap. PRO offers a free injury clinic to all. Please note that it is PIAA policy that any time an athlete seeks care from a physician for injury/illness, they may not participate in any sport until a written note from the physician is provided releasing them to do so.

Coach's Update –

Competition Team still undetermined. Coach will continue to review progress and make decision at a later date. Looking for unity from team whether they're chosen for competition team or not. Approx (5) competitions will be scheduled (2) Dec (2) Jan (1 or 2) Feb. No competitions will be scheduled @ CB South. Coach Dallas' goal in future, not necessarily this year or next year, is to eventually have us attend Nationals down in Florida.
