Senior girls will decorate the senior basketball players rooms. If more girls are needed, decorating will be opened up to other girls. Date TBA. 25.00 dollars per boy will be provided by basketball.

Junior Girls will decorate the senior girls rooms. If more girls are needed, decorating will be opened to other girls. Date DBA. 25.00 for each girl has been budgeted.

Annual Poinsettia Sale

Thank you to the Lucas family for running this fundraiser. 10 families participated. Some families were disappointed with the quality of the poinsettias this year. Discussion on whether it was a fundraiser that should be done again next year. Maybe look at another vendor.

Cheer Clinic

Clinic is ready to run on Sunday.

Community Service

The girls who participated in the wrapping paper community service raised quite a bit of money for the ARC program. We are trying to contact Special Olympics to participate in the basketball program. Tour de Cure may be scheduled for the spring.

Banquet

Banquet has been scheduled for Thursday, January 19. Please get any photos to Joanne Gentile.

Old Business

Discussion was held about the squad not going to Nationals.

New Business

Kate asked people to consider chairing committees for next season.

Senior parents were asked to provide a cheer photo to Kate.
