Coach's update:

- The coach discussed the importance of tumbling and is considering Victory Training Center as the place to practice:
Victory Training Center (located on 611) - Dallas would like to have the girls go to one tumbling practice a week during the season to have the girls work on their tumbling skills. It will begin when they get back to school. The class will be an hour and half and the price is \$45 for two months. There is a one time registration fee for \$45 and if your daughter goes there already there is NO fee. The girls will be doing this for the whole season which will be a total of 6 months. So the cost breakdown is this ... One time registration fee \$45, Sept/Oct \$45, Nov/Dec \$45, Jan/Feb \$45. More information will follow as to the days it will be and transportation. If you miss a practice, you will be able to attend an "open gym" at the times offered by Victory Training Center.
- Fitting scheduled for June 11. Hand in order sheet. We will receive a cost after the fitting.
 - Pizza provided
 - Uniform sizing
 - Cheerleaders will get their 2009 T-shirts
 - Wear black soffees and white sneakers
 - Team picture will be taken
- We be incorporating flags into the routine.

SPECIAL CAR WASH - CENTRAL BUCKS FOOTBALL TEAM FUNDRAISER - June 13, 2009

- The Football Team would like some of the girls to help out for this fundraiser. Help hold the signs and get people to come and get their car washed. On Saturday, June 13, 2009, all three Central Bucks High School football teams will participate in a car wash fundraising activity for the benefit of Frank "Bubba" Ganther, who was injured in a ski related accident this past winter.
- This joint effort will be held at two locations. The CB South location is at the "TGI Friday's" in the Creek View shopping center off of Easton Rd (Rt 611) in Warrington. The CB West location is the Sunoco Station at 620 Main Street in Doylestown. CB East players will participate at both locations.
